Research Opportunity

Ariton Zanev (Co-founder and CEO of Task 'N Go) and Jovana Madjovska (Co-founder and COO of Task 'N Go), in collaboration with Arizona State University and as part of the GIST Innovates the Balkan initiative, are conducting groundbreaking research on project management platforms. This research aims to explore the impact of these platforms on both individual employee efficiency and the overall performance of companies. Task 'N Go are currently seeking individuals who have experience working with project and task management platforms for online interviews. The interviews will be approximately 15-20 minutes long and can be conducted with C-level executives, 2nd level management (such as Project Managers, Product Owners, and Product Managers), as well as end-users or employees responsible for filling in task-related information.

To sign up for an interview, please follow this link and select a calendar slot:

<https://outlook.office365.com/owa/calendar/TaskNGomeetings@taskngo.me/bookings/>.

If you have any questions, please reach out to either Jovana Madjovska or Ariton Zanev via email at jovana.madjovska@taskngo.me or ariton.zanev@taskngo.me.
